SIGN UP TO BOTTLE YOUR OWN PORT-FINISHED MASTERPIECE

From inspecting our grain to hand-labeling our bottles, we like to be hands-on in everything that we do. Now, we're excited to offer you the same opportunity with our Bottle Your Own experience. You'll get to fill your own bottle of Angel's Envy using our one of a kind, custom bottle filler, and then label and cork your very own bottle, which you'll carry home in a beautiful, commemorative box.

On a normal day, our bottling line operators fill 750 to 1,000 six-bottle cases (up to 6,000 bottles). Your bottling experience is going to a little more intimate and hands-on, as you'll be completing every step of the process without a bottling team.

Don't miss this chance to gain a deeper look into our bottling operations, and the chance to become part of the distillery process.

The Bottling Experience is only available on Fridays, once an hour, beginning at 10:10AM and ending at 4:10PM. Please be sure to sign up in advance as the experience is by reservation only. Reserve your spot online [here](#).

We look forward to seeing you, The Angel's Envy Team

10TH ANNUAL NULU FESTIVAL

This year marks the 10th Anniversary of the NULU Festival and while last year was big, this year will be huge!

Once again sonaBLAST! Records is putting together a concert lineup that you don't want to miss. This year's festival takes place on Saturday, September 29th, on the 600, 700, and 800 blocks of East Market Street. The fun starts at 11AM and ends at 11PM.

We're currently taking both applications on the website so hurry because they'll go fast. Remember that NULU Business Association members who are current on their dues pay a reduced booth fee based on what they'll be selling.

There will be a lot of promotional activities and opportunities leading up to this year's festival so let the organizers know if you have any ideas or if you want to get involved. We meet 3rd Monday of each month until it's closer to the event. It's also a great time to sign up to help with the festival as a volunteer. Sign ups and more information can be found on the website at www.nulufest.com

Grant has shown his work in Salem Massachusetts, New York, Chicago, LA, Indianapolis, and of course Louisville. Always armed with a plethora of ink and his trusty Fountain Pen, Grant has no intentions of slowing down and making his art world a weirder and louder place.
